Ameritas 
fulfilling life.

Compared to previous generations you can expect to live a longer, healthier life—as much as 30 years longer. That means your retirement income needs to last longer too. Imagine the feeling of having money that lasts as long as you do.

**With Compass SPIA
You'll Get A Steady
Income Stream That's
Guaranteed For Life Or
As Long As You Need It**

At Ameritas, We Believe It's Possible To Be Prepared For Retirement

We'll help you with guaranteed payments to help cover your essential expenses.

Living a long life sounds pretty good, as long as your money lasts as long as you do. How can you make sure you have enough to enjoy the retirement you've dreamed about?

Compass SPIA can help manage your retirement income. By converting a portion of your savings into a payment stream that lasts as long as you live, you can cover your essential expenses such as housing, healthcare and food. Other assets can then be directed to investments with more growth potential to help protect against inflation and market volatility.

Compass SPIA can also provide payments for a specific period of time, such as:

- Filling the income gap between early retirement and receiving Social Security benefits
- Providing extra income during the early, more active years of retirement
- Non-retirement needs, such as providing reliable payments to college students to cover living expenses

Tax benefits

If you purchase your SPIA with money that has already been taxed, the payments you receive will be a combination of a return of principal and earnings. Only the earnings are taxed.

This difference is significant when you are relying on your account to provide a reliable income. You may pay fewer taxes on the periodic payments from an immediate annuity and it can be guaranteed for life. No bank, mutual fund, stock dividend or bond interest can give you that guarantee.

You can also purchase Compass SPIA with pre-tax dollars, such as assets rolled over from an IRA, a tax-sheltered annuity or a qualified retirement plan. You continue to enjoy the benefits of tax-deferral and only pay taxes when income is withdrawn.

We are Ameritas®

Life will never be free from uncertainty. But when uncertainty is minimized, life can be maximized. This is our calling at Ameritas. We offer insurance, retirement and investment products. And we service them in a highly welcoming, ethical and professional manner that builds lasting trust and enduring relationships.

We're here to help customers put worry behind and the future ahead. And to help enable a life that's rich in family, happiness, health and financial security. When lives are fulfilled, our mission is fulfilled.

As a mutual organization we always put our customers first. With our long-standing financial strength, we've established a tradition of striving to deliver the very best in products and services generation after generation. Though we're proud of our group ratings from Standard & Poor's and A.M. Best Company, we measure our success by how many people we've helped. By how many promises are kept. That's the true measure of who we are.

We are Ameritas: proud to say we're in the business of fulfilling life.

More than a quarter of U.S. Retirees underestimated basic living expenses in retirement.¹

Payments when and how you want them

The payment option you choose, your age and your premium will determine how much you will receive and how long it will last. You have your choice of a payment stream:

- Based on your life expectancy
- Based on your life and the life of another individual, such as your spouse
- Guaranteed for a fixed period of time
